September 2016

Welcome to Farsley Farfield Nursery

All the children have started now and are settling in well. They are beginning to make new friends and experience new things. At this early stage, our aim is to ensure all the children are happy and settled. The Nursery team are available to discuss any concerns that you may have.

## **Farfield Primary School Website.**

At Farfield Primary School we have a fantastic website that has lots of information for parents. The website links you to our 'Foundation Stage Blog'. We regularly update the blog to inform you of what your child is going to be doing each week. You can access it by logging on to: [www.farsleyfarfield.leeds.org.uk](http://www.farsleyfarfield.leeds.org.uk) Choose: Class blogs, Foundation Stage Once we have established a new distribution list, we will email you when a new posting has been made.

## **Library**

All of the children will be able to choose a library book to take home. Library books are changed on a Wednesday. If you have ordered a new school book bag, they should be in school soon. When they arrive, we will hand them out to your child.

## **New email address**

My new email address is now [Hannah.kumar@farsleyfarfield.org.uk](mailto:Hannah.kumar@farsleyfarfield.org.uk). I will, however, still receive emails from my old email address.

## **Toileting**

Please could you make sure your child wears clothing that they can easily pull down in order to go to the toilet independently? Jogging bottoms are ideal. Please put named spare clothes in a bag on your child's peg.

## **Tapestry**

Very soon, we will start using our online observation journal 'Tapestry'. You will receive a letter informing you of your user name (email address) and password. We will then send you observations of your child. You are welcome to comment and send some back to us. If you need any support with this application, then please let us know.

## **Fruit**

Don't forget to bring your child to school with some fruit. We have 2 fruit bowls that they can put it in. We will supplement this with school fruit.
